CORAM : F.I.REBELLO &

DATED : 20th November, 2006

P.C.

The relief as prayed for in the present petition cannot be granted as respondents have now been granted permission to shift the Higher Secondary School to one Ashok Silk Mill compound which they have done and activities have been carried out there. That permission is also the subject matter of the challenge before this court in other petition.

2. Considering the above, the present petition has become infructuous. It will be open to the petitioners to raise all contentions in the other petition which they are entitled to in law.

3. With the above observation, petition stands disposed of.
